

Welcome to the BSMBC (Or Brixton Short Mat Bowling Club.)

If you live in the Village of Brixton

Or in the locality,

There s a bowling Club that you should Join

The BSMBC

I should like to introduce you to some members of the team

For they are quite important to the local bowling scene.

There's Mark who is our Captain

And Wendy who's our 'Sec' There's Sylvia and Margorie

And I haven't started yet. There is still a lot of members

For that is not the lot for there is still that stalwart pair

Dorothy and Dot.

There's Mike and there is Michael

Roseanne and Husband Don

There's Colin also Connie

And our Doreen and John

I'm trying to remember, is there many more to do

Oh yes there is I quite forgot, there's Barry and there's Sue.

Now I've remembered Mavis my memory's almost shot

Did I remember that stalwart pair

Dorothy and Dot?

An important one is Rosemary at bowling she's an ace

And Sheila bowls a mean wood with style and with grace

Have I forgotten anyone/? Now before you start to rave

I must not forget my poor old self and that's yours Truly – Dave

If I have forgotten anyone I'll feel an utter clot

Did I forget that stalwart pair

Dorothy and Dot?

*Jessica and Peter, now they have come to mind
Big Jack and then tall Brandon for they're not hard to find
Have I forgotten anyone? I'm sure that I have not.
I never would forgive myself if there's someone I've forgot
We're a happy bunch of people and it wouldn't be the same
to not turn up on Friday and play our favourite game
So let's hold hands together for loners we are not
We'll go forward with that stalwart pair
Dorothy and Dot.*
